

PRODUCT:	Dahua Password Reset
ITEM CODE:	

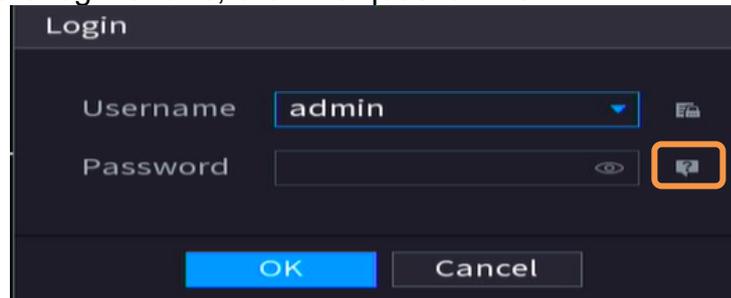

Introduction

This guide has been formulated to assist with Dahua recorder password reset.

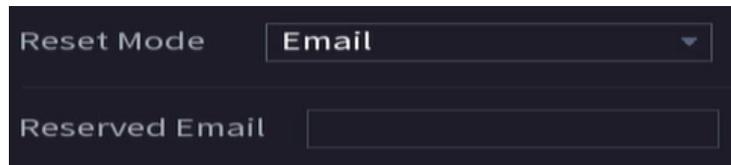

1. Right click, select Main menu.
 - If pattern login shows, select "Switch User"

- If password login shows, click the question mark

2. Choose "Email" reset mode and enter an email if none already set and click "Next"

3. Open DMSS app on mobile phone and select "Me" at bottom right.
4. Select Tool Manager > Device Password Management.
5. If a QR code scanner doesn't appear, press the "+" symbol at top right.
6. Scan the big QR code on password reset screen.
7. A security code will be sent to the designated email address. Enter this into the box onscreen marked "Security Code"
